Praktikum

Practicum

Kurikulum Program Studi Sarjana Ilmu Kesejahteraan Sosial FISIP UI dirancang untuk memberikan pemahaman yang komprehensif mengenai pengetahuan, keterampilan, dan nilai-nilai dalam pekerjaan sosial serta pembangunan sosial. Kurikulum ini menekankan pengembangan kemampuan analisis kritis sekaligus keterampilan praktis mahasiswa.

The Program Curriculum is designed to provide a comprehensive understanding of the knowledge, skills, and values in social work and social development. The curriculum emphasizes the development of students' critical analytical abilities as well as practical skills.

Untuk mencapai kompetensi tersebut, mahasiswa mengikuti rangkaian pembelajaran praktik dengan lima fokus intervensi sosial, yaitu:

To achieve these competencies, students undertake a series of practical learning activities focused on five areas of social intervention:

1. Praktikum Intervensi Individu dan Keluarga (kelanjutan dari Metode Intervensi Individu dan Keluarga)
2. Praktikum Intervensi Kelompok (kelanjutan dari Metode Intervensi Kelompok)
3. Manajemen Organisasi Pelayanan Kemanusiaan (kelanjutan dari Organisasi Pelayanan Kemanusiaan)
4. Perencanaan Partisipatoris dalam Intervensi Komunitas (kelanjutan dari Intervensi Komunitas dan Pengembangan Masyarakat)
5. Praktik Perencanaan Kesejahteraan Sosial (kelanjutan dari Kebijakan Sosial)

1. *Individual and Family Intervention Practicum (continuation of Individual and Family Intervention Methods)*
2. *Group Intervention Practicum (continuation of Group Intervention Methods)*
3. *Management of Human Service Organizations (continuation of Human Service Organizations)*
4. *Participatory Planning in Community Intervention (continuation of Community Intervention and Community Development)*
5. *Social Welfare Planning Practice (continuation of Social Policy)*

Melalui struktur kurikulum tersebut, mahasiswa diharapkan mampu mengintegrasikan teori dan praktik secara holistik dalam menghadapi berbagai isu kesejahteraan sosial di masyarakat.

Through this curriculum structure, students are expected to integrate theory and practice holistically in addressing various social welfare issues within society.

Program Merdeka Belajar

Independent Learning Program

Mahasiswa Program Studi Sarjana Ilmu Kesejahteraan Sosial FISIP UI berkesempatan untuk mengembangkan pengetahuan dan keterampilannya melalui beragam pilihan program di luar program studi yang dapat dikonversikan SKS, atau disebut sebagai 'Program Merdeka Belajar' sebagai program pilihan dengan mempertimbangkan beberapa pertimbangan:

- Perolehan SKS sampai semester 6 minimal adalah 118 SKS
- Telah menyelesaikan seluruh MK Wajib Universitas, Rumpun Ilmu, Fakultas, dan Program Studi
- Konversi SKS sampai dengan 20 SKS.

Beberapa pilihan Program Merdeka Belajar :

The students have the opportunity to develop their knowledge and skills through various programs outside the study program that can be converted into academic credits, referred to as the "Merdeka Belajar Program/ Independent Learning" as the elective module , with the following considerations:

- *Students must have earned a minimum of 118 credits (SKS) by the end of the sixth semester.*
- *Students must have completed all compulsory courses at the university, cluster, faculty, and study program levels.*
- *Credit conversion is allowed for up to 20 credits (SKS).*

Several options for Independent Learning Program :

1

Magang/ Internship

Mahasiswa dapat mengikuti program magang di instansi pemerintah maupun non-pemerintah, termasuk perusahaan swasta. Dalam kurun waktu 3 (tiga) tahun terakhir, beberapa tujuan magang mahasiswa, diantaranya: Bappenas, Kementerian Sosial, Kementerian Pemberdayaan dan Perlindungan Perempuan dan Anak, Kementerian Lingkungan Hidup dan Kehutanan, Bakrie Center Foundation, PT. Pertamina, The Prakarsa, Danone Indonesia, dan sebagainya.

Students may participate in internship programs at both government and non-government institutions, including private companies. Over the past three years, some internship destinations are Bappenas, the Ministry of Social Affairs, the Ministry of Women's Empowerment and Child Protection, the Ministry of Environment and Forestry, Bakrie Center Foundation, PT Pertamina, The Prakarsa, Danone Indonesia, and others.

2

Penelitian dan Pengabdian Masyarakat

Research and Community Engagement

Selain magang, mahasiswa Program Studi Sarjana Ilmu Kesejahteraan Sosial juga difasilitasi mengikuti program Merdeka Belajar melalui keterlibatan dalam kegiatan penelitian dan pengabdian masyarakat.

Dalam tiga tahun terakhir, mahasiswa berpartisipasi dalam berbagai program nasional seperti Desa Cemara Bappenas, Ekspedisi Patriot Kementerian Transmigrasi, Program Perhutanan Sosial Kementerian Lingkungan Hidup dan Kehutanan, serta UI E-Sociology of Digital Governance and Economy.

Program-program tersebut menjadi wadah bagi mahasiswa untuk mengaplikasikan ilmu kesejahteraan sosial dalam konteks nyata sekaligus memperluas jejaring profesional.

In addition to internships, students are also facilitated to participate in the Merdeka Belajar program through involvement in research and community service activities.

Over the past three years, students have participated in various national programs such as Desa Cemara by Bappenas, Ekspedisi Patriot by the Ministry of Transmigration, Social Forestry Program by the Ministry of Environment and Forestry, and UI E-Sociology of Digital Governance and Economy.

These programs provide students with opportunities to apply social welfare knowledge in real-world contexts while expanding their professional networks.

Pembelajaran berpusat pada Mahasiswa

Student-Centered Learning Process

Proses pembelajaran pada Program Studi Sarjana Ilmu Kesejahteraan Sosial, Fakultas Ilmu Sosial dan Ilmu Politik, Universitas Indonesia (FISIP UI), menerapkan pendekatan pembelajaran berpusat pada mahasiswa (student-centered learning) yang menekankan partisipasi aktif mahasiswa dalam seluruh kegiatan akademik, baik di ruang kelas, laboratorium, maupun pada kegiatan praktik lapangan. Pendekatan ini bertujuan untuk mengembangkan kemampuan berpikir kritis, keterampilan kolaboratif, serta kompetensi praktis yang relevan dengan bidang kesejahteraan sosial.

The learning process in the Undergraduate Program in Social Welfare, Faculty of Social and Political Sciences, Universitas Indonesia (FISIP UI), adopts a student-centered learning approach, which emphasizes active student engagement throughout all academic activities, both in the classroom, laboratory, and field practice settings. This approach aims to cultivate critical thinking, collaborative skills, and practical competencies relevant to the field of social welfare.

Pembimbing Akademik

Academic Advisor

Setiap mahasiswa memiliki satu orang Dosen Pembimbing Akademik (PA) yang bertugas untuk mendampingi mahasiswa selama proses studi di Program Studi Sarjana Ilmu Kesejahteraan Sosial FISIP Universitas Indonesia. PA tidak hanya membantu mahasiswa dalam penyusunan rencana studi, tetapi juga memberikan arahan, motivasi, serta konsultasi akademik dan non-akademik untuk mendukung proses pembelajaran yang optimal. Konsultasi dan pembimbingan akademik merupakan agenda wajib yang harus diikuti oleh mahasiswa minimal satu kali setiap semester.

Each student is assigned an Academic Advisor (PA) who provides guidance and support throughout their study period in the Undergraduate Program in Social Welfare, Faculty of Social and Political Sciences, Universitas Indonesia (FISIP UI). The Academic Advisor not only assists students in planning their study program but also offers direction, motivation, and both academic and non-academic consultations to ensure an optimal learning experience. Academic consultation is a mandatory activities that students must attend at least once every semester.

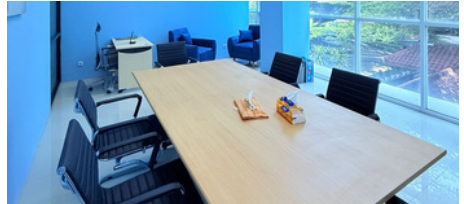

Layanan Mahasiswa

Student Services

Badan Konseling Mahasiswa Student Counseling

FISIP UI menyediakan layanan konseling bagi mahasiswa melalui **Badan Konseling Mahasiswa (BKM) FISIP UI** untuk menciptakan lingkungan akademik yang sehat, inklusif, dan berpihak pada kesejahteraan mahasiswa. Kehidupan kampus kerap menghadirkan tantangan akademik, sosial, maupun personal yang dapat memengaruhi kesehatan mental dan performa belajar. Melalui layanan konseling, pendampingan krisis, manajemen kasus, dan konsultasi pengembangan diri, BKM FISIP UI menyediakan ruang aman bagi mahasiswa untuk mengekspresikan diri, merefleksikan masalah yang dihadapi, serta memperoleh dukungan konstruktif.

FISIP UI provides counseling services for students through the Student Counseling Body (Badan Konseling Mahasiswa/BKM) FISIP UI, aiming to create a healthy, inclusive, and student wellbeing-oriented academic environment. Campus life often presents academic, social, and personal challenges that may affect students' mental health and learning performance. Through counseling services, crisis support, case-management, and personal development consultations, BKM FISIP UI offers a safe and supportive space for students to express themselves, reflect on their challenges, and receive constructive assistance.

Seluruh kegiatan BKM dilaksanakan oleh tim profesional dengan menjunjung tinggi prinsip kerahasiaan, empati, dan non-diskriminasi. Mahasiswa dapat mengakses layanan ini secara tatap muka maupun daring melalui tautan bit.ly/PendaftaranKonselingFISIPUI atau langsung di ruang BKM FISIP UI. Dengan pendekatan humanistik dan berbasis kesejahteraan sosial, BKM berupaya tidak hanya membantu mahasiswa pulih dari tekanan psikologis, tetapi juga memberdayakan mereka untuk tumbuh menjadi individu yang resilien, seimbang, dan bermakna serta mendorong mereka agar mampu menjalankan peran utama sebagai mahasiswa.

All BKM activities are conducted by professionals team who uphold the principles of confidentiality, empathy, and non-discrimination. Students can access these services either in person or online via bit.ly/PendaftaranKonselingFISIPUI, or by visiting the BKM FISIP UI office directly. With a humanistic and social welfare-based approach, BKM FISIP UI aims not only to help students recover from psychological distress but also to empower them to grow into resilient, balanced, and meaningful individuals, while encouraging them to fulfill their primary role as students.

Komite Pencegahan dan Penanganan Kekerasan Seksual FISIP UI Committee for the Prevention and Handling of Sexual Violence

FISIP UI menjamin proses pembelajaran dan interaksi sivitas akademika yang aman dan inklusif dari adanya kekerasan seksual, baik secara verbal, nonfisik, fisik, dan/atau melalui teknologi informasi dan komunikasi.

FISIP UI ensures a safe and inclusive learning environment and academic community, free from all forms of sexual violence, whether verbal, non-physical, physical, or conducted through information and communication technologies. This commitment is formalized through the Dean's Regulation of FISIP UI No. 2/2022 on the General Guidelines for the Prevention and Handling of Sexual Violence, issued on September 27, 2022.

Komitmen ini dituangkan dalam Peraturan Dekan FISIP UI Nomor 2/2022 tentang Pedoman Umum Penanganan dan Pencegahan Kekerasan Seksual Fakultas Ilmu Sosial dan Ilmu Politik Universitas Indonesia pada 27 September 2022, serta dibentuk Komite Khusus yang bertugas untuk dalam hal pencegahan dan penanganan kekerasan seksual (disebut Komite PPKS) dan memiliki pedoman umum untuk menjalankan tugasnya. Aduan mengenai tindakan kekerasan seksual dapat melalui: <https://fisip.ui.ac.id/kppks/>

To implement this commitment, FISIP UI established a dedicated body called the Sexual Violence Prevention and Response Committee (Komite PPKS), which operates based on specific guidelines to carry out its mandate. Reports or complaints related to incidents of sexual violence can be submitted via: <https://fisip.ui.ac.id/kppks/>
